OFFICE OF PETITIONS

Sir:

Applicants hereby petition for revival of the above-noted patent application. The application was considered to be abandoned for failure to respond to the Office letter of March 13, 2003, which was a Notice of Improper Request for Continued Examination (RCE), stating that the request was not accompanied by a submission as required by 37 CFR 1.114.

The entire delay in filing the required reply from the due date for the reply until the filing date of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Applicants are also submitting a Request for Continued Examination (RCE) as a Reply to the Office Action (Final Rejection) of September 10, 2002.

Applicants are also submitting an Amendment as a further Reply to the Office Action of September 10, 2002, and in order to meet the requirements of an RCE.
